HELPFUL REVIEW

1. Literature Review:

Is the literature review synthesized or summarized? If summarized, how might he/she synthesize?

The premises of the argument/topic areas are:

These lead to a likely H/RQ of:

The argument is going to be (just list primary points):

To make this argument stronger, the researcher should:

2. References: 7-10 sources? Credible? APA format?

3. Methods:

Some potential ideas are:
